All forms of scholastic dishonesty are prohibited, whether related to a written or oral examination, a thesis, term paper, mode of creative expression, computer-based work, or other academic undertaking.

Scholastic dishonesty includes, but is not limited to cheating, plagiarism, collusion, violation of testing procedure and academic dishonesty. In determining what constitutes academic dishonesty, a student should be guided by the purposes of this code, common sense, and information provided by the instructor.

Students cannot Christmas tree an answer sheet. Students must follow all instructions given by the teacher or reader. Students are expected to give their full effort at all times during exams.

Student Responsibility

A commitment is made in **writing** to be honest in all academic work and abide by the B.Wright Leadership Academy Honor Code. In addition, students should report any condition that facilitates dishonesty to the class instructor, the department chairperson, the Administration.

Consequences

A student found responsible for violations of the B.Wright Leadership Academy Honor Code shall be subject to consequences (under Cheating Policy). Furthermore, those students in dual enrollment/AP courses may forfeit their opportunity to remain in the course or receive the dual enrollment credit.

Academic Placement

According to the individual ability, past performance in class, the degree of difficulty of a particular subject, test scores and teacher recommendation, the student may be placed in General, Honors or AP courses. Incoming Freshmen are assigned classes based on standardized tests, placement test scores, entrance exam scores and teacher recommendation. In order to qualify for the Honors Program and the Dual Enrollment Program for college credit, a student must maintain an A average, acceptable standardized test scores and get approval from the Dean of Academics and/or Department Chairperson.

In order to move from one level to another a student must have their current teacher's and Department Chair's approval and an acceptable grade, PSAT and ASPIRE score. Previous AP scores will determine continuation in AP classes.

Advanced Placement

For all Advanced Placement courses such as AP Biology, AP Calculus AB, AP Chemistry, AP Computers, AP English Language & Composition, AP English Literature & Composition, AP European History, AP Environment Science, AP Human Geography, AP Macroeconomics, AP Physics, AP Psychology, AP Spanish Language, AP Studio Art, AP French, AP United States History, AP US Government, and AP World History, students are chosen to take the Advanced Placement exam for college credit and are required to take a regular final exam. **The AP Exam fee(s) must be paid on the due date.**

To fully prepare for these examinations, students may be required by their teachers to attend special sessions before and/or after school or on weekends and/or complete summer assignments.

- An AP course is meant to challenge students academically and to offer students an opportunity for college credit based on AP test scores.

- AP courses are the equivalent of an introductory course at the college level; students in these courses are expected to work at this level.
- ALL BWLA AP courses and teachers are approved by College Board.
- Students enrolled in an AP course are expected to do the following:
 1. Adhere to the Honor code. *Any student who violates the honor code (cheating, plagiarizing, etc) on any class work assignment, homework assignment, project, or paper is automatically removed from the course.*
 2. Take the AP exam for the course, in addition to the final exam for the course given by the teacher.
 3. Be present in class. *Teachers can say “no” to missing AP class for activities, field trips, etc.*

Advanced Placement Exam: Final Exam and College Board National Exam

All AP students are required to take a teacher developed AP Final Exam. In order to take the AP National Exam administered by College Board, students must meet the criteria established for each AP course and receive teacher approval in order to take the exam.

If a teacher does not allow the student to take the AP National Exam, a parent may override the teacher’s decision. An override letter must be written and turned in by the appropriate due date to the Dean of Academics.

Student Schedules/Class Change Policy

The course selection process takes place in the spring of each year. Every attempt is made to respect student needs. Students and parents must understand that in some cases schedule requests cannot be granted due to scheduling conflicts or class size limitations. Schedules will not be processed for students who have not re-registered.

Student’s schedules are prepared to provide the best possible schedule for each individual. Requested changes will be reviewed based on the following considerations: teacher evaluation, student’s achievement in the subject area, student’s career goals and qualifications, availability of class, and reason for the change. Elective changes for the following year must be requested before the start of the following school year. Level changes for A.P. and Dual Enrollment courses are not approved unless the change is requested by the teacher and Department Chairperson.

Forgiveness Policy

B.Wright Leadership Academy High School complies with the forgiveness policies set forth by the State of Florida Board of Education. Florida Statutes require that the grade “F” for a failed class must appear on the transcript along with the remediated grade. However, the failing grade will not be used in calculating the GPA.

Grading Policies

All courses offered are semester courses. At the end of each semester course, students will earn ½ credit. A final exam will be given and a final grade will be earned. Courses that require one (1) credit each year will still receive what is required. The combination of semester one (1) and semester two (2) will equal one (1) credit needed.

Academic credit will be awarded on a yearly basis. Students will receive .5 credit for each course with a passing grade with a maximum total of one (1) credit.

1. Final semester grades are averaged as follows:
First/Second quarter grade: 1st semester 40%
Third/Fourth quarter grade : 2nd semester 40%
Final Semester Exams 20%
2. Exams at the end of the semester will include work done over the semester. Final Exams will be approximately one and one half-hour in length.
3. Students must take their Final Exam on the assigned day. **Any student who misses their Final Exam(s) due to an unexcused absence (ex: family vacation) will only receive a maximum of 79% for the exam (see Attendance Policies).**
4. Students who want to change the date of the Final Exam must bring a letter from a parent explaining why the change needs to be made and must pay a \$25.00 change of exam fee.
5. Students with outstanding financial obligations will receive incomplete grades (I) for Final Semester grades.
6. Students who miss their Final Exam due to an absence will receive a grade of 'AB' (Absent) which is equivalent to 0 %.

Exemption Policy

Policy for all students:

1. Students who have all "A's" (including A-) are exempt from the Final Exam.
2. Students who have an "A" average may be exempt from the Final Exam at the discretion of the teachers.
3. Exemption notification forms are given to the student the week prior to the exam. The parent must sign the form and the form must be returned to the teacher before the day of the exam. A student may not have been absent more than nine (9) days in a semester or 18 days in a year for exemption to take effect regardless of the reason for the absence.
4. Tuition must be current. Students must have an Exam Permit and school I.D.

State of Florida Graduation Requirements

(Please note that universities each have their own system for calculating GPAs)

The state of Florida requires all students on a traditional graduation plan to have a 2.0 unweighted GPA.

GRADING SCALE - to calculate State of Florida 2.0 Graduation Requirement (UNWEIGHTED)

A 4 quality points

B	3 quality points
C	2 quality points
D	1 quality point
F	0 quality points

GPA Calculation For State of Florida Graduation Requirement

To calculate Grade Point Average (GPA), each letter grade is converted to a quality point number. The quality points are totaled and divided by the total by the number of classes on the schedule.

Example: The report card shows 3 A's, 3 B's, and 1 D. Each A earns 4 points = 12. Each B earns 3 points = 9, and the D earns 1 point = 1.
 $12 + 9 + 1 = 22$. Divide 22 by 7 = **3.14**

Cumulative Grade Point Averages are based on final grades only. This average is computed by dividing the total number of quality points earned by the total number of courses attempted.

The Dean of Academics will calculate official GPA's and will be updated at the end of each semester.

Report Cards will include both the State of Florida GPA & the B.Wright Leadership Academy GPA.

Diplomas issued by B.Wright Leadership Academy High School

Regular Diploma: Awarded to students who meet all requirements for graduation.

Special Diploma: Awarded to students who meet the standards established by the Florida Department of Education for Exceptional Student Education. They will be awarded the diploma according to the requirements of their specific exceptional education program.

Athletic and Extra-Curricular Academic Eligibility

There are many clubs, activities and athletic opportunities available to BWLA students. In order to participate in events that are either on or off-campus, involve competition and/or are part of a competitive event, athletic events, or those that require students to miss class, the students must maintain a cumulative State of Florida GPA of 2.0 or above on a 4.0 scale.

B.Wright Leadership Academy High School also follows the sports eligibility guidelines as set forth by the Florida High School Activities Association. To represent BWLA in an athletic contest, a student:

- Must be under the age of 19 years, 9 months. If you reach this age during the regular season in a sport, you will not be eligible to begin competition in that sport.
- Must earn and maintain a State of Florida cumulative GPA of 2.0 or better in all courses taken.

In addition to the local requirements for participation, one of the major athletic associations in the United States that regulate who may participate in college sports is the National Collegiate Athletic Association (NCAA). Additional information can be obtained in the Guidance Office.

NCAA Eligibility Requirements

Athletes may only apply online for initial eligibility from the NCAA clearinghouse.

It is our recommendation that ALL student athletes maintain a minimum of a 3.0 State of Florida GPA and register to take the SAT and/or the ACT. Eligibility is based on a combination of GPA and the SAT or ACT score. A lower GPA requires a correspondingly higher test score.

In addition to meeting core academic requirements, the NCAA requires a specific minimum GPA, matched with a specific SAT or ACT score. Please see your guidance counselor for more information.

Grade Changes

Students and parents have the right to seek an explanation as to how a particular grade was determined by a teacher. However, grades may not be changed for the following:

1. Athletic eligibility, parental pressure, college acceptance, club or honor society eligibility, extra-curricular trips, etc.
2. A teacher wants to encourage a student to do better.
3. A teacher has allowed a student to make up assignments after the grading period is closed. (Except for an incomplete grade due to hospitalization)

4. Extra credit turned in after the nine weeks closed. If given, extra credit should be turned in on time to be included in the regular evaluation.

If it is necessary to question a grade printed on the report card, the student must speak to the teacher within one (1) week from the receipt of the report card. If the teacher decides that a correction must be made, the teacher will submit the correct grade to the Dean of Academics within that week.

Transfer Credits

The student must understand that all his/her grades will be accepted as they appear on the official transcript. Any classes that we do not offer will be equated to something in our curriculum.

For those classes which have an “F” grade there remains the obligation to attend one of our Credit Recovery Programs to replace the “F”. The replacement grade will be determined according to the Credit Recovery Program grading policy – 30/70%.

Furthermore, any credits earned in, and accepted from Junior High will not be counted as part of the total credits (or any GPA) which need to be earned in Senior High unless the credits taken were earned through B.Wright Leadership Academy High School.

Parent Overrides

If a parent wants to override the level placement of their child, a letter must be written and turned in by the appropriate due date. The letter must include:

- 1) Child’s name, the change requested, reason for change and parent contact information.
- 2) These three (3) statements:
 - A) You, the parent understand that it is not BWLA recommendation.
 - B) You take full responsibility for your child’s progress.
 - C) You understand that under no circumstances will your child be moved out of the level requested for the entire school year.
- 3) A recommendation letter from the 8th grade teacher (only for incoming 9th graders).

Final approval of override will be given by the Dean of Academics.

- 4) Parents may not override AP classes or Dual Enrollment courses.

Summer School/Night School

1. Students who wish to return to B.Wright Leadership Academy but who need to attend an Enrichment or a Credit Recovery Program must do so at B.Wright Leadership Academy High School.
2. ½ credit enrichment courses may be offered to students.
3. A maximum of two (2) classes may be taken each summer for remediation or enrichment.

Credit Recovery Grading

A student who receives a final grade of “D” or “F” for the semester and attends a Credit Recovery Program to make up a course will be graded according to the following policy: The numerical “D” or “F” grade will count for 30%. The numerical Credit Recovery grade will count for 70%. The new average will appear on all official student transcripts. Courses taken at B.Wright Leadership Academy High School must be remediated at B.Wright Leadership Academy High School.

Report Cards

Report cards are sent home with student two times a year, at the end of each semester. The first and third quarter, parents have to attend parent meeting to receive report cards. Parents are contact teachers with any concerns.

Honor Roll

At the end of each marking period students may achieve the Honor Roll. Those students who receive Second Honors are recognized at the Second Honors assembly. A breakfast is given honoring those students on the Principal’s and First Honor Rolls. The Honor Rolls are based on the following criteria:

Principal’s Honor Roll -	All “A’s” in academics
First Honors -	A minimum of a 3.5 average with no academic grades less than a “B”
Second Honors -	A minimum of a 3.0 average with no grade less than a “C”

Academic Probation

Any student who has more than two (2) failures and/or a State G.P.A. below 2.0 is placed on Academic Probation. There is the possibility that the student will be dismissed if the failures continue. These students may not be able to participate in ongoing extracurricular activities and/or athletic events.

If your child’s *Quarter G.P.A.*, is below a 2.0 during any quarter of the academic year, he/she will be place on academic probation. However, if the student’s *cumulative G.P.A.* is above a 2.0, he or she may participate in activities and/or athletic events.

IF THREE (3) COURSES ARE FAILED AT THE END OF THE SEMESTER/YEAR AND/OR THE STATE GPA FALLS BELOW A 2.0, THE STUDENT MAY BE ASKED TO WITHDRAW FROM MONSIGNOR PACE HIGH SCHOOL.
